

Sec. 19.00.070. - Existing uses.

The existing use, or uses, of all buildings, improvements and premises not in conformity with the standards or requirements of the land use district in which they are located, in accordance with the provisions of this title, and which uses are legal, or for which variances, site approval, conditional use permits or exceptions were granted under previous ordinances may continue as hereinafter provided and subject to the provisions regulating permits and the nonconforming building or use provisions of this title.

(Ord. No. 934-2015, § 19.00.070, 7-20-2015)
