

⚠ Attention Visitors! To comply with a federal mandate requiring all government websites to use a .gov domain, we have moved our website from Sbclib.org to library.sbcounty.gov. Please update your bookmarks and any references to our old address. You may proceed now by clicking the [new link](#), or you will be redirected to the new site url in 30 seconds. Thank you, and welcome to our new domain!

Library Branch Locations & Hours

All branch libraries provide free access to computer workstations which are connected to the Library's information network. In addition to providing Internet access, these workstations enable the public to search San Bernardino County Library's many electronic resources including the online catalog, subscription databases, word processing, language learning, literacy and a large historic document and photograph collection.
