SECTION 15	AGREEMENT AND SIGNATURE
-------------------	--------------------------------

Indemnification – The Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnitees. The Contractor's indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

I have read this application and agree to comply with all laws regulating the type of work being performed. I understand:

- This permit does not absolve or replace any obligations or requirements from applicable water districts/other agencies.
- That all completed work must meet the requirements as stated in this well application and that the property owner has given authorization to install the well on their property in accordance with all applicable laws and regulations.

☐ **Electronic Signature Only:** By checking this box, I confirm I am submitting this application electronically and that the information on this form is true and correct. I also acknowledge that I have read, understand and accept any terms and conditions of this form.
