

San Bernardino County Fire Protection District

Daniel R. Munsey, Fire Chief/Fire Warden

[Home](#) › [Office of the Fire Marshal](#) › [Community Safety](#) › **Plan Reviews**

Planning and Engineering provides comprehensive plan check and inspection services. Plans are required for all new buildings, changes to existing buildings, and the installation and modification of fire and life safety systems. Plans are reviewed by our Fire Prevention Specialist for compliance with the applicable fire and life safety regulations, codes and ordinances.
